

Let us become your
strategic partners

in developing your
prestige brand
and growing
your business.

Cyan Labs designs, develops and manufactures cleaning, maintenance and personal hygiene chemical specialties for the institutional and industrial markets. With over 40 years of experience in formula development and a new, state-of-the-art manufacturing facility, we offer you a long term partnership with complete contract chemical manufacturing services.

If you are looking for a partner in sourcing your chemical products label or are interested in starting one, we will be glad to assist you.

Come meet us

At booth **#3475** at the **ISSA/INTERCLEAN** Show in Las Vegas Convention Center on November 18-21, 2013.

We would love
to see you there!
